August 18.

Dear Mr. Weisberg:

The copy of your letter to John MacKenzie at the Post was forwarded to me here, and I thank you for it.

I have been enjoying the longest vacation of my career, between Aspen and Los Angeles, waiting for Congress to complete its work. As I understand it, the House Ethics Committee will meet August 25 and decide whether or not to subpena me.

It would be nice if the uncertainty ends. One way or the other.

Yours

David Schoen
